“To anyone remotely interested in the datacentre and cloud arena, this event is a must.
If you attend one event all year, make it this one!”

Michael Tobin, OBE, Industry Entrepreneur

WELCOME TO DATACLOUD 2016 GLOBAL CONGRESS & EXHIBITION

Now in its 3rd year in Monaco, and twelfth year for the European event, Datacloud is the bellweather for cloud and data centres.

Hosted in an outstanding backdrop, the event offers a professional range of services for sponsor and exhibitor ROI.

The 2016 event promises to sustain its mission as the premier networking brand for the leadership of data centre, cloud and IT infrastructure professionals and the place to be for companies engaged in these sectors.

Datacloud Exhibition brings together leading innovators, solutions providers, location agencies, power companies, infrastructure and connectivity leaders, data centre service firms, cooling specialists, European and global organizations, investors, data centre audit firms, government agencies and many more.

Datacloud Europe was a very positive experience: excellent venue, speakers and topics as a basis and it felt like being at the industry event in Europe. I enjoyed the atmosphere and thought the receptions were excellent for networking. Thank you!”

Stefan Franssen, 42 GmbH

“Datacloud Europe is a great event if you are looking for the highest quality interaction and meetings. The level of content, speakers and attendees as well as the diversity of the attendees make it incredibly relevant for our industry.”

Paul-François Cattier, Segment President Cloud & Finance, Schneider Electric

“Datacloud Europe 2015 has been an excellent platform for Exchange, Meetings, Communication and Networking within the Cloud Services and Datacenter Environment”

Norbert Loch, e-shelter GmbH

4 Key Reasons to Attend this unique event

- 1. Unique International Character:**
The premier event in the data centre and cloud calendar attracts a footfall of 1800+ executives from 59 countries.
- 2. Top Quality Speakers and Content:**
More than 180 of the most exciting speakers, experts and enterprise infrastructure leaders join forces to present a not to be missed agenda.
- 3. Attracting only the top tier of attendees:**
The event attracts only the most senior attendees including: Enterprise end users, heads of data centres, hosting and cloud businesses, SaaS/laaS experts, cloud service providers, cloud provisioning and brokers, fibre and connectivity owners and operators, Telcos, power providers and cooling specialists.
- 4. Business and networking opportunities:**
Recognized and respected as the international forum where deals are done, bringing new and old contacts together, lead generation and delivering ROI.
